Can you believe that we are halfway through the year? So far, we are on our way to achieving Another Excellence award for 2007. Yes, another Excellence award. On Saturday, May 19th of this year, at our Mid-Year Meeting Awards Banquet in Washington, D.C., our National Chapter awarded the Indianapolis Chapter its first ever SILVER EXCELLENCE AWARD. This award was earned by points that the chapters accrue for programs and activities throughout the year (2006). What an honor and what a great start for this year! Thank you, Deb Blanchard, 2006 President, and officers of 2006 for your leadership and direction. We are proud of the position in which you have placed our chapter.

My goal for this year was to win an Excellence award. Now we know that our past activities have put us on the right track to win the next level, which is the Golden Excellence Award. Kudos to Rhonda Kuchik, our Program Chair, for her diligence in planning activities that address the directives set out by our National chapter. If we all participate on the committees and in the activities, we can make receiving this Excellence Award the beginning of a parade of excellence for the Indianapolis Chapter. I invite you all to join a committee or volunteer on some level in order to promote OUR PARADE of EXCELLENCE. Winning can be such fun. Let us have some fun.
